Re: Gumbo Limbo Lane

Dear Aref,

We are requesting a continuance from the February Planning Commission meeting to the March 2006 meeting. We are exploring a method that will allow our client the flexibility to use either the residential development option or, if the ROGO allocations are not going to be forthcoming in a timely way, then to revert to the approved commercial development. This process may include the submission of a Development Agreement in order to provide the needed flexibility.

Thank you for your assistance in this matter. If you have any questions, please feel free to contact me.

Sincerely,

Barbara Mitchell  
Vice President
